

Expiration and Vacancy Report Governor's Appointments

July 2014

Legislative Research Unit

Note on appointment and expiration dates

When an appointment expiration date is shown as “09/09/09,” or “00/00/00,” it means one of the following:

- the date is not specified in the law, or a date is specified in the law, but we do not know when the original appointment was made;
- the appointment authority did not specify a date in its letter of appointment;
- it refers to an ex officio member who is serving for an unspecified term; or
- an appointee continues to serve until a successor is appointed but to our knowledge no successor has been appointed.

Note on vacancies

Public Act 86-1324 (25 ILCS 110/1) requires anyone authorized by law to make an appointment to any agency, board, commission, or other body of state government to report the appointment to the Legislative Research Unit. This report contains the names of any appointment reported to the Legislative Research Unit through July 15, 2014. Where the appointing authority has not notified the Legislative Research Unit, a vacancy is indicated in this report.
